Dear Colleague,

The IHGC is a global hop industry network of hop growers, hop merchants and other hop industry professional experts (scientists, brewers) from 20 countries worldwide. Previous biannual congresses were organised in 2017 – Yakima/USA, in 2015 - Bad Gögging/Germany, in 2013 – Popperinge/Belgium, in 2011 – Hobart /Australia, etc... In 2019, it is the Slovenian Hop Growers' Association honoured to host all the congress activities.

The 57th IHGC congress is offering you an excellent business opportunity at global level to present your company to hop growers, hop merchants, brewers and related agribusiness stakeholders. Your presence and a mutual contribution to congress events will be most highly appreciated.

Please review the list below of the sponsorship opportunities. We will be glad to accept your proposal and to coordinate your participation as a sponsor of the 57th IHGC congress.
